Who's to Blame for High Prices? Hitoshi INOUE····· 1

Is Russia's Achilles' heel the result of Soviet citizens surrendering and becoming passive in order to escape the "fear of starvation" caused by collectivization?

— Re-reading B. Russell (1920), *The Practice and Theory of Bolshevism* and V. Erlichman (2004), *Population Loss in the 20th Century*. —

Yoh SASAKI····· 21
